### **NewGen Surgical Hires National Account Manager Andrea Ring**

San Rafael, California, April 2, 2018 – NewGen Surgical, Inc., a leading maker of sustainably designed medical devices and products, is pleased to announce the hiring of Andrea Ring as National Account Manager.

Andrea will be responsible for the management of NewGen Surgical's regional and national sales teams. Her primary goal will be to enhance NewGen Surgical's value to and relationships with national healthcare systems. "With the addition of Andrea, NewGen Surgical is excited to continue to broaden our reach nationwide in meeting the clinical needs of our customers with sustainable product solutions," said Rob Chase, President of NewGen Surgical. "Andrea has extensive medical device sales experience, as well as a background in business to business field sales. She will be a great asset to our team."

Before joining NewGen Surgical, Andrea served as a Business Development Specialist at Sinclair Pharma and Business Development Manager at KYTHERA Biopharmaceuticals. "NewGen Surgical is a dynamic, game changing company with an inspiring mission and I'm excited to tackle this new role," stated Andrea. "I look forward to the challenge of sales management, especially as we achieve product commercialization goals."

Andrea is a Massachusetts native and is a graduate of San Francisco State University.
