

Sustainably Designed Medical
Devices and Products

NewGen Surgical Needle Counters

Clinical Performance

- All needle counters include:
 - Easy-to-read numbers for securing of needles
 - Secure latch with audible closure feedback
 - Compliance with OSHA requirements and ASTM F2132 for puncture resistance
 - Latex free
 - Red color signifying biohazard
- Full-surface magnet provides extra space for odd-shaped sharps
- Adhesive tabs secure the needle counter to any workspace
- Selection of foam, magnet, and adhesive combinations

Sustainable Design

- Needle counter box is sourced from plant-based material:
 - 93% plastic reduction by weight
 - Reduction in energy used for production
 - Less plastic produced and discarded
 - Able to decompose; rate dependent on disposal conditions
- Prop 65 compliant
- Free of intentionally added BPA or BPA derived plastics, mercury, phthalates, and PVC
- 1,000 pounds of plastic waste can be eliminated for every 12,500 needle counters; be part of our *Small Change, Big Impact EPP™* program
- 100% of the packaging for the single sterile needle counters can be recycled if the hospital and their respective waste hauler providers support this service

Needle counter sustainability statements supported and/or validated by third party resources.

Product Code	Description	Units of Measure
NGSNC20MA-96	Needle counter, 20 count, double magnet, adhesive tabs, sterile, EPP / sustainable	24 ea/bx, 4 bx/cs
NGSNC30MA-96	Needle counter, 30 count, double magnet, adhesive tabs, sterile, EPP / sustainable	24 ea/bx, 4 bx/cs
NGSNC40FMA-48	Needle counter, 40 count, foam block, magnet, adhesive tabs, sterile, EPP / sustainable	12 ea/bx, 4 bx/cs
NGSNC20MA-360NS	Needle counter, 20 count, double magnet, adhesive tabs, non-sterile, EPP / sustainable	360 ea/cs
NGSNC30MA-360NS	Needle counter, 30 count, double magnet, adhesive tabs, non-sterile, EPP / sustainable	360 ea/cs
NGSNC40FMA-90NS	Needle counter, 40 count, foam block, magnet, adhesive tabs, non-sterile, EPP / sustainable	90 ea/cs
NGSNC60MA-90NS	Needle counter, 30-60 count, double magnet, adhesive tabs, non-sterile, EPP / sustainable	90 ea/cs
NGSNC80FA-90NS	Needle counter, 40-80 count, double foam, adhesive tabs, non-sterile, EPP / sustainable	90 ea/cs
NGSNC40FM-90NS	Needle counter, 40 count, foam block, magnet, non-sterile, EPP / sustainable	90 ea/cs
NGSNC60M-90NS	Needle counter, 30-60 count, double magnet, non-sterile, EPP / sustainable	90 ea/cs
NGSNC80F-90NS	Needle counter, 40-80 count, double foam, non-sterile, EPP / sustainable	90 ea/cs

US Patent D804053

Bulk, non-sterile available for procedure packs through authorized distributors.

About NewGen Surgical

NewGen Surgical, Inc. develops and manufactures sustainably designed, single-use medical devices and products. NewGen Surgical's mission is to minimize plastic waste in the O.R. by redesigning disposable products. NewGen Surgical offers hospitals and surgery centers a solution to their sustainability programs and meet Environmentally Preferable Purchasing (EPP) objectives.

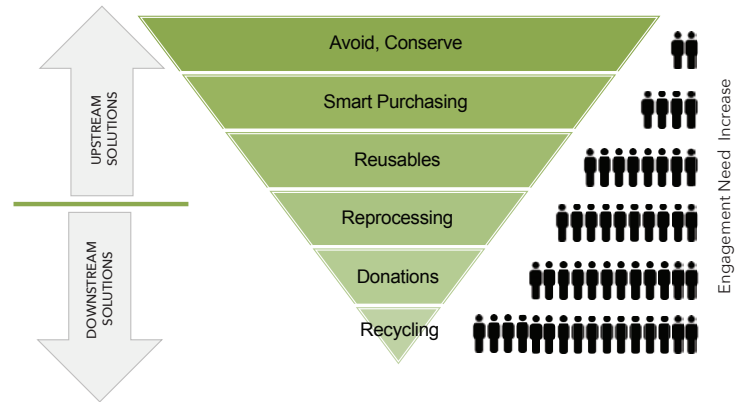

Smart Sustainable Design™

By rethinking and redesigning disposable single-use surgical products used every day in the operating room, NewGen Surgical reduces or eliminates plastic waste while still delivering clinical performance at a price that brings value to our customers.

Smart Sustainable Purchasing™

Smart sustainable procurement is a key success factor in delivering the human health benefits of an EPP policy and one of the best approaches in aligning hospital purchasing with sustainability and community needs initiatives. Addressing source reduction at the surgical kit level is an upstream solution that has a big impact on eliminating plastic waste with one of the lowest conversion costs. The investment of time and training are minimal when a similar single-use disposable surgical product is switched to one made with sustainable material.

Small Change, Big Impact

Join our *Small Change, Big Impact EPP™* program and make a measurable commitment to reduce your plastic waste. This program tracks your use of NewGen Surgical's sustainably designed, single-use medical devices and products and provides healthcare leaders a platform to measure the reduction of plastic waste generated from their hospital or system. Every piece of plastic matters. Working together we can make a measurable impact.

small change | big impact

a NewGen Surgical EPP program

A climate-smart commitment to reduce plastic waste in healthcare.
