Jagpal Sran Joins Team at NewGen Surgical

Business process development and customer relationship professional Jagpal Sran joins NewGen Surgical. Jagpal will be responsible for business processes to support operations and customers, and brings experience from her years of delivering workflow, procedures, interdepartmental communications and customer support at Genentech and BioMarin Pharmaceuticals.

At NewGen Surgical, as the Business Operations Manager, Jagpal will help create policies and procedures to improve efficiencies and deliver excellent customer service. “We look forward to Jagpal applying her skill set to identify improved processes for our business operations and customer support. It’s perfect timing for Jagpal to join our team at this stage of our company growth,” said Robert Chase, Founder and President of NewGen Surgical. Jagpal added, “I’m excited to be a part of a company whose mission aligns with my personal beliefs on environmental stewardship.”

Jagpal received a BA in Finance from the Dominican University of California.
