

INSTRUCTIONS FOR USE

NewGen Surgical Emesis Basin 700cc

Please read all information carefully.

Intended Use

The NewGen Surgical Emesis Basin is a plant-based, single-use, sterile O.R. accessory designed to hold fluids and instruments during a surgical procedure.

Warnings and Precautions

The NewGen Surgical O.R. Basins are manufactured with natural materials. With these materials, some discoloration, texture variation, or fiber inclusions may be present. Cosmetic appearance does not affect the performance nor sterility of the product.

To ensure performance, do not submerge in water or other liquids. Do not use excessive force.

This emesis basin is manufactured and sterilized for single-use only.

Do not reuse, reprocess, or resterilize. Reuse, reprocessing, or resterilization may compromise the structural integrity of the basin and/or lead to basin failure.

Store in a cool, dry place.

Do not use if product is damaged. Do not use if package is open or damaged.

Any serious incident that has occurred in relation to the product should be reported to the manufacturer and the competent authority of the Member State in which the user and/or patient is established.
